Re: The Maynard Pietryka Department of Vermont Color Guard Award

The Americanism Committee would like to recognize Post Color Guards from around our state.

Please use the attached nomination form to tell us about your posts color guard. We want to know how many parades your color guard participated in, how many legionnaires participate and what other community activities your color guard is involved in.

We know that the Covid-19 pandemic over this past year has interfered with many events throughout your communities and within your Posts, but we also know that many of you continued and still continue to do what you could and can.

Color Guards are an important and visible part of the American Legion in Vermont, and we want to make sure that they get the recognition they deserve. The Americanism Committee will review the nomination forms submitted and the color guards selected are recognized at the Department of Vermont Annual Convention in June.

If you have any questions, I can be reached at skittlestaz65@gmail.com or 802-236-9091.
