### **Law Cadet Program**

#### **VALUABLES**

DO NOT BRING VALUABLES WITH YOU. There are no facilities for storing of valuables. We cannot be responsible for any lost valuables. This includes jewelry, cell phone, computers, ipad, etc. All electronic devices will be taken if brought to the academy.

#### **PERSONAL APPEARANCE – GROOMING**

Since the American Legion, Department of Vermont, and the Vermont Criminal Justice Training Council sponsor the program, and all participation is strictly voluntary, we insist upon certain dress attire and personal grooming regulations. The Grooming Code calls for boys to have a neat haircut with hair trimmed and tapered and for the girls that the hair be neat and not so long (tied back) as to create a safety hazard. Cleanliness is paramount so attention must be made to personal grooming daily.
